Privacy Policy

Updated as of September 4, 2025

We are committed to the care and improvement of human life. Part of that commitment includes protecting your Personal Information (defined below). We maintain information confidentiality and comply with applicable regulatory requirements.

This privacy policy ("Privacy Policy") covers our online privacy practices with respect to use and/or disclosure of information we may collect from you when you access or use our website ("Website"), Portals (as defined below), and any other websites or applications we may provide that link to this Privacy Policy (collectively, our "Services").

Information not covered by this Privacy Policy

The Services are provided by the Website owner identified on the
