Privacy Policy

Effective date: January 14, 2024

Readmio, s.r.o. ("us", "we", or "our") operates the Readmio mobile application and Readmio web application (hereinafter referred to as the "Service"). This page informs you of our policies regarding the collection, use or disclosure of personal data when you use our Service and the choices you have associated with that data.

We may use your data to provide and improve the Service. By using the Service, you agree to the collection and use of information in accordance with this policy. Unless otherwise defined in this Privacy Policy, the terms used in this Privacy Policy have the same meanings as in our Terms and Conditions.

Definitions

Service
Service is the Readmio mobile application and Readmio web application operated by readmio, s.r.o.

Personal Data
Personal Data means data about a living individual who can be identified from those data (or from those and other information either in our possession or likely to come into our possession).

Usage Data
Usage Data is data collected automatically either generated by the use of the Service or from the Service infrastructure itself

Cookies
Cookies are small files stored on your device (computer or mobile device).

Data Controller
Data Controller means the natural or legal person who (either alone or jointly or in common with other persons) determines the purposes for which and the manner in which any personal information are, or are to be, processed.

For the purpose of this Privacy Policy, we are a Data Controller of your Personal Data.

Data Processors (or Service Providers)
Data Processor (or Service Provider) means any natural or legal person who processes the data on behalf of the Data Controller.

We may use the services of various Service Providers in order to process your data more effectively.

Data Subject (or User)
Data Subject is any living individual who is using our Service and is the subject of Personal Data.

Information Collection and Use
We may collect several different types of information for various purposes to provide and improve our Service to you.

Types of Data Collected

Personal Data
While using our Service, we may ask you to provide us with certain personally identifiable information that can be used to contact or identify you ("Personal Data"). Personally identifiable information may include, but is not limited to:

- Email address
- Cookies and Usage Data

We may use your Personal Data to contact you with newsletters, marketing or promotional materials and other information that may be of interest to you. You may opt out of receiving any, or all, of these communications from us by following the unsubscribe link or the instructions provided in any email we send.

Usage Data
When you access the Service with a mobile device, we may collect certain information automatically, including, but not limited to, the type of mobile device you use or your mobile operating system, the type of mobile Internet browser you use, unique device identifiers or other diagnostic data ("Usage Data").

Location Data
We may use and store information about your approximate location ("Location Data"). We use this data to provide features of our Service, to improve and customize our Service. You can enable or disable location services when you use our mobile applications at any time by way of your device settings.

Tracking Cookies Data
We may use cookies and similar tracking technologies to track the activity on our Service and we hold certain information. Cookies are files with a small amount of data which may include an anonymous unique identifier. Cookies are sent to your browser from a website and stored on your device. You can instruct your browser to refuse all cookies or to indicate when a cookie is being sent. However, if you do not accept cookies, you may not be able to use some portions of our Service.

Use of Data

Readmio, s.r.o. uses the collected data for various purposes:

- To provide and maintain our Service
- To notify you about changes to our Service
- To allow you to participate in interactive features of our Service when you choose to do so
- To provide customer support
- To gather analysis or valuable information so that we can improve our Service
- To monitor the usage of our Service
- To detect, prevent and address technical issues
- To provide you with news or special offers

Legal Basis for Processing Personal Data under the General Data Protection Regulation (GDPR)

If you are from the European Economic Area (EEA), readmio, s.r.o. legal basis for collecting and using the personal information described in this Privacy Policy depends on the Personal Data we collect and the specific context in which we collect it.

Readmio, s.r.o. may process your Personal Data because:

- We need to perform a contract with you
- You have given us permission to do so
- The processing is in our legitimate interests and it is not overridden by your rights
- For payment processing purposes
- To comply with the law

Retention of Data

Readmio, s.r.o. will retain your Personal Data only for as long as is necessary for the purposes set out in this Privacy Policy. We will retain and use your Personal Data to the extent necessary to comply with our legal obligations (for example, if we are required to retain your data to comply with applicable laws), resolve disputes and enforce our legal agreements and policies. Readmio, s.r.o. will also retain Usage Data for internal analysis purposes. Usage Data is generally retained for a shorter period of time, except when this data is used to strengthen the security or to improve the functionality of our Service, or we are legally obligated to retain this data for longer periods.

Transfer of Data

Your information, including Personal Data, may be transferred to - and maintained on - computers located outside of your state, province, country or other governmental jurisdiction where the data protection laws may differ from those of your jurisdiction.

Your consent to this Privacy Policy followed by your submission of such information represents your agreement to that possible transfer. However, we use mostly US or EU cloud services to keep the infrastructure running. Readmio, s.r.o. will take all the steps reasonably necessary to ensure that your data is treated securely and in accordance with this Privacy Policy and no transfer of your Personal Data will take place to an organisation or a country unless there are adequate controls in place including the security of your data and other personal information.

Disclosure of Data

Business Transaction

If readmio, s.r.o. is involved in a merger, acquisition or asset sale, your Personal Data may be transferred.

Disclosure for Law Enforcement

Under certain circumstances, readmio, s.r.o. may be required to disclose your Personal Data if required to do so by law or in response to valid requests by public authorities (e.g. a court or a government agency).

Legal Requirements

Readmio, s.r.o. may disclose your Personal Data in the good faith belief that such action is necessary to:

- To comply with a legal obligation
- To protect and defend the rights or property of readmio, s.r.o.
- To prevent or investigate possible wrongdoing in connection with the Service
- To protect the personal safety of users of the Service or the public
- To protect against legal liability

Refund Processing

If we receive a refund request on iOS devices for an in-app purchase, we may provide Apple with information about the user's in-app purchase activity. This could include details such as time since app installation, total app usage time, an anonymous account identifier, whether the in-app purchase was fully consumed, whether it included a trial period, the total amount spent, and the total amount refunded.

Security of Data

The security of your data is important to us but remember that no method of transmission over the Internet or method of electronic storage is 100% secure. While we strive to use commercially acceptable means to protect your Personal Data, we cannot guarantee its absolute security.

Our Policy on "Do Not Track" Signals under the California Online Protection Act (CalOPPA)

We do not support Do Not Track ("DNT"). Do Not Track is a preference you can set in your web browser to inform websites that you do not want to be tracked.

You can enable or disable Do Not Track by visiting the Preferences or Settings page of your web browser.

Your Data Protection Rights under the General Data Protection Regulation (GDPR)

If you are a resident of the European Economic Area (EEA), you have certain data protection rights. Readmio, s.r.o. aims to take reasonable steps to allow you to correct, amend, delete or limit the use of your Personal Data.

If you wish to be informed about what Personal Data we hold about you and if you want it to be removed from our systems, please contact us or use out web application to delete your data automatically.

In certain circumstances, you have the following data protection rights:

The right to access, update or delete the information we have on you. Whenever made possible, you can access, update or request deletion of your Personal Data directly within your profile settings section on web application. If you are unable to perform these actions yourself, please contact us to assist you.
The right of rectification. You have the right to have your information rectified if that information is inaccurate or incomplete.
The right to object. You have the right to object to our processing of your Personal Data.
The right of restriction. You have the right to request that we restrict the processing of your personal information.
The right to data portability. You have the right to be provided with a copy of the information we have on you in a structured, machine-readable and commonly used format.
The right to withdraw consent. You also have the right to withdraw your consent at any time where readmio, s.r.o. relied on your consent to process your personal information.
Please note that we may ask you to verify your identity before responding to such requests.
You have the right to complain to a Data Protection Authority about our collection and use of your Personal Data. For more information, please contact your local data protection authority in the European Economic Area (EEA).

Service Providers

We may employ third party companies and individuals to facilitate our Service ("Service Providers"), provide the Service on our behalf, perform Service-related services or assist us in analysing how our Service is used.

These third parties have access to your Personal Data only to perform these tasks on our behalf and are obligated not to disclose or use it for any other purpose.

Analytics

We may use third-party Service Providers to monitor and analyse the use of our Service.

Advertising

We may use third-party Service Providers to show advertisements to you to help support and maintain our Service.

Payments

We may provide paid products and/or services within the Service. In that case, we use third-party services for payment processing (e.g. payment processors).

We will not store or collect your payment card details. That information is provided directly to those third-party payment processors whose use of your personal information is governed by their Privacy Policy.

The payment processors we work with are: Payments via Google Play, Apple App Store, Stripe, Inc., Apple Pay, Google Pay, Shop Pay and PayPal.

Links to Other Sites

Our Service may contain links to other sites that are not operated by us. If you click a third party link, you will be directed to that third party's site. We strongly advise you to review the Privacy Policy of every site you visit.

We have no control over and assume no responsibility for the content, privacy policies or practices of any third party sites or services.

Children's Privacy

We do not knowingly collect personally identifiable information from anyone under the age of 18. If you are a parent or guardian and you are aware that your Child has provided us with Personal Data, please contact us. If we become aware that we have collected Personal Data from children without verification of parental consent, we take steps to remove that information from our servers.

Speech recognition privacy

We use speech recognition engine integrated in the application to further ensure superior user experience and to keep the highest privacy standards. Therefore, no voice nor data are sent to any servers.

Changes to This Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page.

We will let you know via email and/or a prominent notice on our Service, prior to the change becoming effective and update the "effective date" at the top of this Privacy Policy.

You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.
