HIGHLIGHTS FOR CHILDREN, INC. PRIVACY NOTICE

Last revised: December 15, 2022

Your privacy is important to us. This Privacy Notice (the "Privacy Notice") governs the use of your Personal Information (as defined below) by Highlights for Children, Inc. and/or its affiliates except Highlights for Children International, Inc. (collectively, "we," "us," or "our"), including, without limitation:

- the websites currently located at www.highlights.com and www.highlightskids.com (collectively, the "Website(s)");
- the mobile applications Highlights Hidden Pictures Puzzle Town, Highlights Hidden Pictures Puzzles, Highlights Shapes, Highlights Monster Day, Highlights Digital Magazine, Highlights Everyday, Highlights All About, and Highlights Magazine Amazon Alexa Skill (collectively, the "Mobile Applications"); and
- any other products, services, interactive features, widgets, and resources we offer, and all other content included within the Website(s) and/or Mobile Applications (all of which are collectively referred to as the "Services").

This Privacy Notice explains what information we collect about you, how we use or share such information, how to exercise any rights you may have with respect to your Personal Information, and the safeguards we have in place to reduce the risk of unauthorized access and use.

Please carefully read this Privacy Notice, which is part of our Terms

CHILDREN'S PRIVACY

Except as provided below, the Website(s) are not intended for children under the age of 13 and we do not knowingly collect Personal Information (as defined below in "Information We Collect") from children under the age of 13. If we become aware that we have inadvertently received Personal Information from a child under the age of 13, we will delete such information from our records. A parent may review or have deleted a child's personal information, and refuse to permit further collection or use of such information, by contacting us at the email or mailing address below.

The website www.highlightskids.com allows children under the age of 13 to submit questions and comments via surveys and comment forms. We take steps to limit the information we obtain from children through such surveys and forms to prevent the information from being Personal Information. For example, we sometimes ask for the child's first name, age, and state of residence, but we will not ask for last name, email address, or other information that would allow us to personally identify the

child. If we become aware that we have inadvertently received

Advertising Review Unit (CARU, operated by the Council of Better Business Bureaus) under its Safe Harbor program. As such, our Mobile Applications comply with the Children's Online Privacy Protection Act as well as with CARU's Self-Regulatory Guidelines for Children's Advertising, including the Guidelines for Interactive Electronic Media. We do not collect Personal Information about a child via Mobile Applications. We do allow adults to provide an email address to receive product information and special offers but the submission form is behind a parental gate. We use Mixpanel Analytics, which gives us information about how our Mobile Applications are being used but this information is anonymized and is not Personal Information. More information about CARU and the Safe Harbor program can be found here.

We receive Personal Information about a child if a consumer purchases a product or service from us and provides us with a child's Personal Information in order to facilitate shipping or delivery of the product or service to the child. Generally, the Personal Information we receive in such instances is limited to the child's name and address.

California Privacy Rights for Minor Users

If you are a California resident under the age of 18, you have the right under California Business and Professions Code Section 22581 to view, correct, or remove certain information provided by you or publicly posted by you, by accessing your Highlights for Children account through www.highlights.com, www.highlightskids.com, or another product or service as applicable and editing/removing your information. You will need your password to access your personal account. You may also

send us an email asking us to remove your posted information or

Please be specific in your request. We will be happy to review, update, or remove your posted information and/or content as appropriate. Residual copies of your posted information and/or content that have been removed from your account may remain in our backup systems for approximately one month. We may still retain your posted information or content to resolve disputes, enforce our agreements with you, or comply with legal requirements; however, we will take steps to limit use of the removed information and/or content to only these purposes.

INFORMATION WE COLLECT

Personal Information

We may collect information that personally identifies, relates to, describes, or is capable of being associated with you ("Personal Information"), including:

- **Personal identifiers and contact information** such as name, mailing address(es), email address(es), phone number(s), user ID, and device ID;
- **Sensitive personal identifiers** such as gender and age;
- **Commercial Information**, such as purchase history;
- **Other demographic information** such as marital status, what language(s) you speak, whether you own or rent a property, information related to co-owners or other persons living at the property, household income;
- **Banking/financial information** such as payment card information, checking account numbers, payment preferences;

- **Commercial information** such the type(s) of Services

- **Geolocation data** such as geographic location indicators from mobile devices, websites, and service addresses;
- **Documents containing personal information** such as order forms, copies of checks, and drivers' licenses, or other documents you provide to validate your identity in connection with exercising any privacy rights you may have;
- **Audio/visual information** such as call recordings, chat transcripts, text messages, and pictures or images you provide;
- **Professional/employment information** such as employer, occupation;
- **Education information** such as education level; and
- **Inferences drawn from other Personal Information or data** that relate to your familial relationships, preferences, interests, characteristics, psychological trends, predispositions, behavior, attitudes, intelligence, abilities, and aptitudes.

While we generally do not obtain other Personal Information that is often considered "sensitive," such as genetic or biometric information (e.g., fingerprints, facial recognition images), government issued identification numbers (e.g., social security numbers, passport numbers), insurance policy numbers, or medical, health, or insurance-related information, we may do so when such Personal Information is necessary to offer you certain Services or where otherwise permitted by law.

The types of Personal Information we collect about you may vary based on how you use our Services and your relationship with us.

Nothing in this Privacy Notice addresses, or should be read to limit or restrict, how we collect, use, or process, anonymous, de-

identified, or aggregate information.

phone number, email address, and bank account information (collectively, "Business Information"). We do not treat this information as Personal Information, unless required by law, because it relates to a business or a business contact.

Usage Data and Site Activity

We automatically collect information in connection with the actions you take on the Website(s) and/or Mobile Applications and in connection with using the Services ("Usage Data"). For example, each time you use the Website(s), we automatically collect the type of web browser you use, your operating system, your Internet Service Provider, your IP address, the pages you view, and the time and duration of your visits to the Website(s). If we can reasonably associate this data with you, directly or indirectly, we treat it as Personal Information. If we cannot reasonably associate this information is with you, we treat it as Usage Data.

Communication Recordings

We may record calls and retain the content of text messages or other written or electronic communications between you and us. By communicating with us, you consent to our recording and retention of communications.

HOW WE COLLECT INFORMATION

Personal Information You Provide

We may ask you to provide us with Personal Information when you communicate with us online or offline, including events, surveys, and marketing or promotional programs. You are not required to provide us your Personal Information; however, if you choose not to provide the requested information, you may not be able to use some or all of the features of our Services or we may

not be able to fulfill your requested interaction. In addition, we

purchase one of our Products as a gift.

Third-Party Data Sources

We may collect Personal Information from third-party data sources such as data brokers, marketing and sales agencies or partners, analytics firms, and other customers or consumers.

Cookies and Interest-Based Advertising

Cookies and Automated Tools

We use cookies (a small text file placed on your computer to identify your computer and browser) and other automated tools such as tracking pixels to improve the experience of the Services, such as saving your preferences from visit to visit to present you with a customized version of the Websites, without requiring you to log into the Website(s) each time you visit. We also do this so that we may determine the usefulness of our navigational structures and to support our marketing efforts. Most web browsers are initially set up to accept cookies. You can reset your web browser to refuse all cookies or to indicate when a cookie is being sent. Instructions for how to manage cookies in popular browsers are available at: Internet Explorer, Firefox, Chrome, Safari (iOS), Safari (Mac), and Opera. However, certain features of the Website(s) or Services may not work if you delete or disable cookies.

We use the following types of cookies:

- Session Cookies: Session cookies keep track of you or your information as you move from page to page within our Websites and are typically deleted once you close your browser. For example, session cookies allow our online order forms to function properly.

- Persistent Cookies: Persistent cookies reside on your system

- Analytics Cookies: Analytics cookies help us understand how our Websites are working and who visits them. Google Analytics is one tool we use, and you can learn more by reviewing Google's Privacy Notice. Google also provides a free browser add-on, called the Google Analytics Opt-out Browser Add-on, which provides website users the ability to prevent their data from being used by Google Analytics. You may download the browser add-on here.

We employ software technology that enables us to track certain aspects of a user's visit to the Websites. This technology helps us better manage content on the Websites by informing us what content is effective, how consumer engage with our Websites, and how consumers arrive at and/or depart from our Websites. The software typically uses two methods to track user activity: (1) "tracking pixels" and (2) "clear gifs". Tracking pixels are pieces of executable code that are embedded in a web page that track usage activity including which pages are viewed, when they are viewed, and how long the pages are viewed. Clear gifs are tiny graphics with unique identifiers which are embedded in web pages and email messages that track whether or not a user has viewed a particular web page or email message. User activity information may be associated with additional information about a user's session, such as IP address and the type of browser used, and Personal Information, if provided by the user.

If you arrive at the Website(s) by "clicking through" from another website, certain information about you that you provided to that other website, such as the terms you were searching on that led you to the Website(s), may be transmitted to us and we may use it. You should review the Privacy Notice of any website from which you reached the Website(s) in order to determine what

information was collected by that website and for what purpose(s)

Third Parties that Collect Information on Our Sites

Automatic Data Collection

Certain third parties collect Personal Information and/or Usage Data from users of our Sites using automatic collection tools such as cookies and tracking pixels. The collection, use, and disclosure of Personal Information and/or Usage Data by these third parties is governed by their respective privacy policies. You may opt-out of certain cookies, as detailed above at “Cookies and Automated Tools.”

Residents of California, and other certain other consumers, may be able to opt-out of the sale and sharing of Personal Information as outlined below under “Additional California Consumer Rights.”

Social Media Widgets

The Website(s) and/or Mobile Applications may include social media features, such as the Facebook Like button, Google Plus, Pinterest, and Twitter widgets. These features may collect information about your IP address and the pages you visit on our site. A cookie may be set to ensure that a feature properly functions. Your interactions with features are governed by the privacy policies of the companies that provide them.

HOW WE USE AND SHARE INFORMATION

Reviews and Testimonials

If you provide a review or testimonial, we may post it publicly on our Websites, Mobile Applications, or in other advertising material. By providing a testimonial, you give us permission to use it in any manner and for any purpose, including in marketing and advertising communications.

Gifts

We may collect information about gift recipients to fulfill the purchase of a gift. Personal Information about gift recipients is not shared with third parties for their direct marketing purposes.

Service Providers

We allow access to your Personal Information by Service Providers that perform services for us, but only for the purpose of and to the extent necessary to perform those services. Categories of service providers we use include:

- **Fulfillment and account servicing vendors**, which help us provide products, services and information to you, service your account or benefits, and collect past due balances;
- **Payment processors**, which help us to accept and process the payments for our products/services to you;
- **Marketing and communications vendors**, which help us market our products/services to you, conduct promotions, surveys, and other outreach campaigns;
- **Research and development vendors**, which help us develop and improve our products and services;
- **Data and business analytics vendors**, which help us collect, analyze, and improve the accuracy of our data (including

Personal Information);

- **General service providers**, which help us with day-to-day business operations such as office support services, courier services, facilities management, and document destruction.

We require each Service Provider to use reasonable security measures appropriate to the nature of the information involved to protect your Personal Information from unauthorized access, use, or disclosure. Service Providers are prohibited from using Personal Information we provide to them other than as specified by us.

In the past twelve months we may have shared each category of Personal Information that we collect (listed above) with Service Providers.

Sharing and Selling Information with Third Parties

There are times when you provide Personal Information to us in areas of the Service that may be managed or participated in by one or more Third Party Business(es). Moreover, we rent, sell, share, and transfer Personal Information to:

(i) list buyers who market their goods and services (commonly known as “list rental”);

(ii) our advertising, marketing, and sponsorship clients to market their goods and services;

(iii) “data coops,” which are pooled databases containing the customer information of multiple publishers to enable the marketing use of such customer information by participating publishers;

(iv) consumer data suppliers/resellers, data enrichment providers and aggregators, and other entities in the online behavioral advertising ecosystem for purposes of online behavior advertising (“OBA”), data optimization, lead generation, and other

data-driven projects;

partners, advertisers, sponsors, and other third-party websites accessible through the Website(s) may have their own privacy and data collection policies and practices. We are not responsible for any actions, content of websites, or privacy policies of such third parties. You should check the applicable privacy policies of those third parties when providing information through linked websites.

Compliance with Laws and Law Enforcement

We cooperate with government and law enforcement officials and private parties to enforce and comply with the law. We may disclose Personal Information and any other information about you to government or law enforcement officials or private parties if, in our discretion, we believe it is necessary or appropriate to respond to legal requests (including court orders and subpoenas), to protect the safety, property, or rights of ourself, users, or any other third party, to prevent or stop any illegal, unethical, or legally actionable activity, or to otherwise comply with applicable law.

Other Transfers

We may share Personal Information and Usage Data with businesses controlling, controlled by, or under common control with us. If we are merged, acquired or sold, or in the event of a transfer of some or all of our assets, we may disclose or transfer Personal Information and Usage Data in connection with such transaction. You will have the opportunity to opt out of any such transfer if, in our reasonable judgement, the new entity plans to handle your information in a way that materially differs from this Notice.
